This is me, looking at you, to see where our next adventure will take us. I'm Xena, about 8 years old and the prettiest girl you'll take on a walk in a long time. I also know how to come, sit, lay down and give you my paw on command. I'm an Akita mix and so I need an experienced pet parent. I'm happiest when I know what is expected of me and what is not allowed. I don't do well with others, cats or dogs but once we're buds, we don't need anyone else, do we?
