Safety First This School Year
 With school and sports starting soon, it's time to slow down and watch out for our kids! Whether they're walking to school, riding their bikes, catching the bus, or heading to practice, a little extra care can go a long way. Drivers, please stay alert and watch for children in neighborhoods and near schools. Kids, remember to follow the rules, look both ways, and make smart choices. Let's start the new school and sports season with safety first and help everyone get home safely!

A Little Magic at Carlene's

Step inside Carlene's Coffee & Spice Shop, and you'll find more than the comforting aroma of freshly brewed coffee and warm, fragrant spices. There's always a little something special waiting to catch your eye.

Now showing in the shop are the beautiful creations of Montana Deanna

—handcrafted copper wire jewelry and enchanting Trees of Life. Each piece is thoughtfully woven by hand, with copper branches twisting and reaching like tiny trees carrying their own stories.

As customers sip their coffee and browse the shelves, the jewelry seems to glow in the cozy shop light. Every Tree of Life is a reminder of roots, growth, strength, and the connections that make life beautiful.

So come in for a cup of coffee, stay for the spices, and take a moment to discover **Montana Deanna's one-of-a-kind copper creations** at Carlene's—where there's always a little magic around every corner.
