Congratulations to Troy, Montana schools on receiving a $15,000 grant from the county commissioners to help finish the track around the football field. This investment will create a lasting space for students, athletes, and the entire community to enjoy for years to come.

APPLE PIE

1 (14.1 ounce) package pastry for a 9-inch double-crust pie
¾ cup white sugar, or more to taste
1 teaspoon ground cinnamon
6 cups thinly sliced apples
1 tablespoon butter
1 egg (optional)
1 tablespoon water (optional)

Directions

1. Gather the ingredients. Preheat the oven to 450 degrees F (230 degrees C).
2.
3. Line a 9-inch pie dish with one pastry crust; set second one aside.
4.
5. Combine 3/4 cup sugar and cinnamon in a small bowl. Add more sugar if your apples are tart.
6.
7. Layer apple slices in the prepared pie dish, sprinkling each layer with cinnamon-sugar mixture.
8. Dot top layer with small pieces of butter. Cover with top crust and flute the edges to seal.

- Beat egg with 1 tablespoon water to make an egg wash; brush the top crust with egg wash. Cut several slits in the top crust to allow steam to escape.
-
- Bake pie on the lowest rack of the preheated oven for 10 minutes. Reduce oven temperature to 350 degrees F (175 degrees C) and continue baking until golden brown and filling bubbles, 30 to 35 minutes more.
-
- Serve warm or cold.

CARMEL APPLE TIME

- Store-bought caramels – I recommend using Werther's Chewy Caramels for best results. Some of the other readily available brands don't taste as good and don't set up as well.
- Apples – I like to use Granny Smith so that bit of tartness balances out the sweetness of the caramel and toppings but practically any type of apple will work here.
- Heavy cream – evaporated milk will work too if that's what you have on hand.
- Optional toppings – you can also customize these with optional toppings to take them over the top

How to Make Caramel Apples:

- Prepare apples: Rinse and thoroughly dry apples with a paper towel. Insert a caramel apple stick into center of each apple. Have toppings ready if you'll be adding some to apples.
- Prepare pan to rest apples on: Line a 13 by 9-inch baking sheet or baking dish with a sheet of parchment paper, spray parchment paper with non-stick cooking spray, set in the fridge.
- Add caramels and cream to bowl: Place caramels and heavy cream in a microwave safe bowl (about 5 cup size bowl).
