Get a nice HOT drink at Main Street Perk & Pub on these cold mornings

The Pumpkin Spice Latte began in Seattle in 2003 when a Starbucks team tested espresso with pumpkin pie.

The Origin Story

- The Liquid Lab: Developers ate pumpkin pie and drank espresso together to find the right spice mix.
- The Recipe: They combined cinnamon, clove, nutmeg, espresso, and steamed milk.
- The Test: Starbucks tested the drink in Vancouver and Washington, D.C. in 2003.
- The Launch: The drink rolled out across North America in 2004 and became a massive fall tradition.
- The Update: Real pumpkin puree was finally added to the recipe in 2015.
